

ARE YOU RESPONSIBLE FOR THE SAFE MANAGEMENT OF WILDLIFE AT AN AIRPORT OR AIRFIELD?

Are you seeing increasing wildlife activity due to less flying and insect population recoveries?

Primetake offers a range of **highly effective Bird Scaring cartridges** and accessories to **help you stay safely in control** of wildlife so that when the flying restarts, you are not facing significant flight safety problems. **A little effort now will save lots of effort later!**

Signal Pistols & Accessories

PT9005D

38MM SIGNAL PISTOL

The pistol is constructed of a chemically blacked steel for lightness and durability. It incorporates a single action trigger mechanism. It can be held and made ready for loading with one hand as the breech opening is conveniently located on the side of the pistol body.
